OVERVIEW

Built in traditional Cycladic architecture, Villa Dahlia is a fabulous luxury villa that has been stylishly decorated from the indoors to the outdoors, ensuring whether you are, you will feel like you are in your own private paradise.

Monochrome tones have been used throughout the luxury villa to create a sleek atmosphere, whilst the natural woods and stone create a relaxed feel – this is bohemian beach chic at its best.

Inside, the main house features a large open-plan living area with a bright lounge and dining area, as well as a fully equipped modern kitchen, all of which open directly out onto the pool terrace. But it is the outside areas where you will spend most of your time.

The unique covered outdoor lounge area, by the pool, features a BBQ and dining area where the stunning sea views and sunsets can be enjoyed, while the private pool is surrounded by luxurious sunbeds – the ultimate place to settle down with a good book and a cold drink. Outside also features a unique granite bathtub where romantic sunsets can be enjoyed.
